

**Press release - December 14th 2015**

## **Bordier & Cie main partner of the E-MERGING platform**

Pursuing its development in the field wealth management for private clients, Bordier & Cie becomes the main partner of the independent platform E-MERGING.

Launched in 2009, E-MERGING ([www.e-merging.com](http://www.e-merging.com)) has become the leading international platform for independent finance experts. The platform gathers a large community of more than 1'100 companies, managing USD 389 billion in 58 countries.

E-MERGING organizes on Tuesday January 26 2016, the 3<sup>e</sup> edition of Virtual FinFair (<http://vff.e-merging.com>), a pioneering event enabling the international financial community to get together online and to attend to conferences via an avatar.

### **New responsible for Independent Wealth Managers**

Rebecca Dinberu, has joined Bordier & Cie as responsible for developing and managing the network of independent portfolio managers. Previously she was responsible for independent wealth managers at Lombard Odier Zurich.
